Re: Councilor at Work Tapings for 2016  
Date: February 12, 2016

Dear colleagues:

As you know, with the change in our name, Aldermen-at-work has now become Councilor at Work. As a result, I would like to tape new episodes for this term of the Council.

Mr. Olson has prepared a list of the Councilors and Committees so that everyone has an opportunity to appear, all chairs are included, and no one would need to appear more than once. The taping takes about 45 minutes for 30 minutes of airtime. The format is the same as before - responding to questions about the work you do in your committee.

NewTV has reserved studio time for the following dates:

Monday, March 21 from 4-7;  
Thursday, March 24 from 4-8;  
Monday, March 28th from 4-7;  
Monday, April 4 from 4-7; and  
Thursday, April 7, from 4-9.

Please review your schedule and Mr. Olson's list and let him (or me) know on Tuesday any difficulties you have with any of those dates or times. Based on your responses, Mr. Olson and I will work with Steve Kessinger of NewTV to build a schedule that works for everyone.
