

Development Review Team (DRT) Meeting Snapshot

Week of March 7, 2016

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
41 Chesley Rd	Extension of a nonconforming two-family
73 Washington St	Rear lot subdivision
340 River St and 76 Lexington	Raze existing buildings, build new commercial, possible residential above
90 Oak Street	Preliminary discussion with potential purchaser who is looking to understand the possibilities for this site

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
