

Development Review Team (DRT) Meeting Snapshot

Week of April 18, 2016

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
232 Boylston St.	Signage
1238 Chestnut St (aka 90 Oak St)	Building is for sale, preliminary discussion on potential uses with potential buyer

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
