

Development Review Team (DRT) Meeting Snapshot

Week of July 18, 2016

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
260 Elliot Street	Proposed reuse of St. Elizabeth's Center as a space for civic events
198 California Street	Discussion regarding a multi-family development in a BU-1 zone
1359 Centre Street	Proposed mural requiring special permit as signage
1210-1220 Washington Street	Proposed signage at new Rockport Group offices

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
