

Development Review Team (DRT) Meeting Snapshot

Week of August 22, 2016

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
1 Wells Ave.	William James College- potential additional structure
115 Manchester Rd.	Extend nonconforming single family dwelling (SR2)
89 Hyde Ave.	Special Permit for accessory apartment in basement of a single family dwelling (SR2)
Not site specific	Discussion re location of 78 ft. monopole (potentially on BC campus)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
