This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
46 Farwell St.	Special permit for residential building abutting Charles River with potential parking waiver (MR2).
48-50 Winchester Rd.	Administrative Site Plan Review (ASPR) to convert a two-family structure into 40 child day care center; site currently has 5 parking spaces, would require special permit to waive 11 parking spaces.

11 Riverside Rd. (Lasell College- Stoller Boathouse	Administrative Site Plan Review (ASPR)- Update on revised plans/schedule for additional use of facility by Community Rowing Inc.

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
