

Development Review Team (DRT) Meeting Snapshot

Week of September 12, 2016

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
1080 Walnut St.	Amend existing Special Permit/Site Plan Approval to construct detached garage (SR2)
73 Perkins St.	Accessory apartment on the third and fourth floors of a single family dwelling (SR2)
386 Watertown St.	Proposed mixed-use building: 18 residential units on three floors above 1,500 square feet of first floor retail with 32 parking stalls (BU1)
1016 Centre St.	Special permit to exceed FAR in a single family dwelling (new construction)(SR2)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
