

# Development Review Team (DRT) Meeting Snapshot

Week of September 19, 2016

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
642 Centre St	Special Permit to exceed FAR for addition (SR2)
16-26 Dalby St	Special Permit to construct attached dwellings on 23,400 SF parcel (MR2)
143 Rumford Ave	2nd DRT for a self-storage facility with potential height and parking requirements waivers. Petitioner is seeking to subdivide the lot and construct a smaller structure than originally proposed (BU2)
Needham St (Tower Rd-Oak St; current Marshalls location)	Possible large-scale multi-use redevelopment (MU1)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
