CITY OF NEWTON

IN CITY COUNCIL

ORDINANCE NO. A-78.

June 20, 2016

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF NEWTON AS FOLLOWS:

That the Revised Ordinances of Newton, Massachusetts, 2012, as amended, be and are hereby further amended with respect to **Chapter 30 ZONING** as follows:

1. **Delete** Section 3.4.2.C.1 in its entirety and renumber Sections 3.4.2.C.2, 3, and 4 to 3.4.2.C.1, 2, and 3 accordingly.
2. **Delete** Section 3.4.3.A.4 in its entirety.
3. **Insert**, following Section 3.4.3, a new Section 3.4.4 Garages as follows:

3.4.4. Garages

- A. Defined.
 1. An attached or detached structure intended primarily for the storage or parking of one or more automobiles. A detached garage is an accessory building.
 2. A garage wall is any wall enclosing a garage including that wall containing the garage entrance.
- B. For each dwelling unit there shall be no more than 1 garage and a garage shall provide for no more than 3 automobiles, except by special permit.
- C. Where more than one garage is provided as part of a building and they are placed side-by-side, there shall be living area connected by a shared wall above both garages.
- D. Garage setback. A garage wall may be no closer to the front lot line than the longest street-facing wall of the dwelling unit measured at ground level.

E. Garage Dimensions.

1. The length of a garage wall facing a street may be up to 40 percent of the total length of the building parallel to the street, inclusive of the garage wall, or 12 feet, whichever is greater. This requirement does not apply to detached garages.
2. On corner lots, only one street-facing garage wall must meet the standard above.
3. The ground floor area of an accessory building containing a garage or an attached garage shall not exceed 700 square feet, except by special permit.

F. Exemptions

1. The Commissioner of ISD, in consultation with the Director of Planning and Development and/or the Urban Design Commission, may grant an exemption, subject to such conditions as he may require, to the garage setback (section 3.4.4.D) and garage wall length facing the street (section 3.4.4.E.1) requirements, where, based on one or more of the following factors, strict adherence to these requirements would be impossible:
 - a. Irregular lot shape;
 - b. Topography of the lot;
 - c. Configuration of existing structures on the lot;
 - d. Protection of the historic integrity of a building; and
 - e. Preservation of mature trees or similar natural features.
2. Any exemption request shall be reviewed relative to the intent of minimizing the amount of building frontage devoted to garage walls and ensuring a clear connection between the front entrance and living space of a dwelling and the street, meeting the requirements of this section to the greatest extent possible. All exemption requests shall present design features including, but not limited to windows, architectural details, screening, and landscaping and these shall be generally consistent with the remainder of the house.

3. A request for exemption shall be on such form and shall provide such information as the Commissioner of ISD may require.
4. The applicant shall provide written notice of an exemption request and shall provide a copy of the request application to neighboring properties within 300 feet fronting on the same street.
5. Where the house is more than 70 feet from the street, the garage setback (section 3.4.4.D) and garage wall length facing the street (section 3.4.4.E.1) requirements shall not apply.

4. **Insert** the following Illustration to accompany the text of Section 3.4.4.

~~e. Preservation of mature trees or similar natural features.~~

~~2. Any exemption request shall be reviewed relative to the intent of minimizing the amount of building frontage devoted to garage walls and ensuring a clear connection between the front entrance and living space of a dwelling and the street, meeting the requirements of this section to the greatest extent possible. All exemption requests shall present design features including, but not limited to windows, architectural details, screening, and landscaping and these shall be generally consistent with the remainder of the house.~~

~~32.~~ A request for exemption shall be on such form and shall provide such information as the Commissioner of ISD may require.

~~43.~~ The applicant shall provide written notice of an exemption request and shall provide a copy of the request application to neighboring properties within 300 feet fronting on the same street.

~~54.~~ Where the house is more than 70 feet from the street, the garage length and setback requirements (section 3.4.4.D) ~~and garage wall length facing the street (section 3.4.4.E.1) requirements~~ shall not apply.

5. Garages permitted between March 14, 2016 and July 11, 2016 are not subject to the requirements found in Sec. 3.4.4.D.1 and 2. For the purposes of this

section, permitted projects shall include those that received a building permit, a special permit, a Certificate of Appropriateness from a Local Historic District Commission, or a Demolition Delay waiver from the Historical Commission.

3.4.4. Garages

A. Defined

1. An attached or detached structure intended primarily for the storage or parking of one or more automobiles. A detached garage is an accessory building.
2. A Front Facing Garage is a garage on which the primary garage door or doors through which automobiles enter the garage faces the street. On corner lots, a Front Facing Garage faces the same street as the primary frontage or entrance to the house.

B. For each dwelling unit there shall be no more than 1 garage and a garage shall provide for no more than 3 automobiles, except by special permit.

C. Where more than one garage is provided as part of a building and they are placed side-by-side, there shall be living area connected by a shared wall above both garages.

D. Garage Dimensions and Setback

1. The length of a front facing garage facing a street may be up to 50 percent of the total length of the building parallel to the street, inclusive of the garage, or 12 feet, whichever is greater. This requirement does not apply to detached garages.
2. A front facing garage may be no closer to the front lot line than the longest street-facing wall of the dwelling unit measured at ground level except as follows:
 - a. Where there is a front porch at least 6 feet deep the front facing garage may be no closer to the front lot line than the front of that porch.
 - b. Where the length of a front facing garage is no more than 40% of the total building length, the front facing garage may be no closer to the front lot line than the building setback line or 24 feet, whichever is greater.

3. The ground floor area of an accessory building containing a garage or an attached garage shall not exceed 700 square feet, except by special permit.

F. Exemptions

1. The Commissioner of ISD, in consultation with the Director of Planning and Development, may grant an exemption, subject to such conditions as the Commissioner may require, to the garage length and setback requirements (section 3.4.4.D) based on protection of the historic integrity of a building, as determined by, and with the approval of, the Historical Commission or a Local Historic District Commission.
2. A request for exemption shall be on such form and shall provide such information as the Commissioner of ISD may require.
3. The applicant shall provide written notice of an exemption request and shall provide a copy of the request application to neighboring properties within 300 feet fronting on the same street.
4. Where the house is more than 70 feet from the street, the garage length and setback requirements (section 3.4.4.D) shall not apply.
5. Garages permitted between March 14, 2016 and July 11, 2016 are not subject to the requirements found in Sec. 3.4.4.D.1 and 2. For the purposes of this section, permitted projects shall include those that received a building permit, a special permit, a Certificate of Appropriateness from a Local Historic District Commission, or a Demolition Delay waiver from the Historical Commission.
