

Development Review Team (DRT) Meeting Snapshot

Week of January 9, 2017

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
Carlson Avenue/ Mt. Ida College campus	Potential division of vacant land and construction of one story, approximately 17,000 square foot church
191 Grant Ave	Potential 2nd floor addition to existing nonconforming single family dwelling (SR2)
19 Dartmouth St	Proposed three car garage larger than 700 SF (SR1)
326 Fuller St (Brae Burn Country Club)	Potential amendment(s) to a special permit to renovate/develop an existing building into a general recreational use facility for members and construct additional paddleboard court (SR1)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
