

Development Review Team (DRT) Meeting Snapshot

Week of February 20, 2017

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
24-26 Eliot St	Initial discussion regarding possible uses of the property (BU2)
34 Thurston Rd	Proposed accessory apartment in an existing single-family dwelling (MR1) (note: rescheduled from last week)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
