

Development Review Team (DRT) Meeting Snapshot

Week of March 6, 2017

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
56 Gardner St	Special permit to exceed FAR by constructing a two-car garage for a single-family dwelling (MR2)
2 Terrace Ave	Potential variance to construct a two-car garage for a single-family dwelling (SR2)
59 Grove Hill Park	Special permit to construct a 7 foot retaining wall in a setback at a single-family dwelling (SR2)
162 Middlesex Rd	Potential special permit for dimensional control(s) to construct an addition to a single family dwelling on Newton/Brookline line (SR1)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
