

# Development Review Team (DRT) Meeting Snapshot

Week of March 20, 2017

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
15 Ricker Rd	Special permit to further increase nonconforming two-family dwelling's FAR with two dormers (MR1)
10 Cliff Rd	Possible variance to construct two-car garage in single-family dwelling's front setback (MR1)
41 Chase St	Special permit to expand nonconforming two-family dwelling (MR1)
Lasell College	Proposed exterior lighting for Grellier Field

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
