

Development Review Team (DRT) Meeting Snapshot

Week of May 1, 2017

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
386 Watertown St	Special permit to replace existing one story structure with a 3-story structure with two floors of residential over commercial space (BU1)
21-25 Gardner St	Special permit to replace existing one-family dwelling and adjacent two-family dwelling with four single-family attached dwellings (MR2)
Newton Commonwealth Golf Course	Proposed construction of accessory maintenance structures (PUB)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
