

# Development Review Team (DRT) Meeting Snapshot

Week of May 15, 2017

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
767-769 Watertown St	Special permit to increase nonconforming two-family use and create a three-story structure (SR3)
349 Dedham St	Special permit to amend Board Order #106-07 to increase day care enrollment to more than 16 children (SR1)
1615 Beacon St	Possible location for Suzuki School of Newton (SR2)
0 Plainfield St	Potential frontage variance and special permit for rear lot subdivision (SR2)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
