

Development Review Team (DRT) Meeting Snapshot

Week of May 22, 2017

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
307 Lexington St	Special permit to extend an existing nonconforming two-family use (SR2)
43 Crafts St	Addition to single family dwelling (MAN)
1151 Walnut St	Administrative Site Plan Review for day care center (BU2)
115-117 Freeman St	Proposed redevelopment of existing two-family dwelling (SR3)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
