

Development Review Team (DRT) Meeting Snapshot

Week of June 12, 2017

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
23 Ashford Rd	Potential side setback variance (SR2)
41 Washington St	Special permit for creation of rear lot (SR3)
13 Prospect St	Proposed expansion of non-conforming second unit (MR2)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
