

Development Review Team (DRT) Meeting Snapshot

Week of November 20, 2017

Address	General Description of Project
13 Prospect St	Enclose rear of two-family dwelling for additional floor area (MR2)
43 Kenwood Ave	Addition to single-family dwelling for indoor pool; possible FAR issues (SR2)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
