

# Development Review Team (DRT) Meeting Snapshot

Week of January 15, 2018

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
110 Parker Ave	Special Permit to extend the nonconforming side setback (SR3)
48 Cotton St	Special Permit to replace existing garage and further increase non-conforming FAR (SR2)
156 Otis St	Special Permit to allow a rear lot subdivision (SR2)
145 Wells Ave	Special Permit to amend an existing special permit to modify the operational controls of the amusement center (LM)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
