

Development Review Team (DRT) Meeting Snapshot

Week of June 4, 2018

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
27 Albion St	Special permit to allow parking within a front setback and associated waivers (SR2, Ward 6)
365-381 Elliot St	Special permit to establish a for-profit educational use (MAN, Ward 5)
63 Cherry St	Possible special permit for expansion of existing single-family dwelling including dormers (SR3, Ward 3)
1188 Chestnut St	Special permit/variance to construct a single-family dwelling (MR1, Ward 5)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
