

Development Review Team (DRT) Meeting Snapshot

Week of June 25, 2018

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
54 Fuller Street	Rear addition to single-family dwelling (MR1, Ward 5)
160R Stanton Ave	Comprehensive Permit for approx. 69 apartments (affordable to seniors at a range of incomes as well as 9 chronically homeless individuals with disabilities) in two proposed additions to JCHE Golda Meir House (MR3, Ward 4)
13 & 17 Gardner St	Special permit to construct four single family attached dwellings (MR2, Ward 1)
44 Ballard St	Special Permit to extend a nonconforming structure with respect to height and number of stories, and to exceed the FAR (SR2, Ward 7)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
