

Development Review Team (DRT) Meeting Snapshot

Week of August 13, 2018

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
29 Charlotte Rd	Variance to add carport/covered entry (SR2, Ward 6)
32 Baldpate Hill Rd	Special Permit to allow a retaining wall in excess of four feet in the setback (SR1, Ward 8)
49-51 Winchester St	Special Permit to establish for-profit school (MU1, Ward 5)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
