

Development Review Team (DRT) Meeting Snapshot

Week of November 26, 2018

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
145 Warren St	Special Permit to construct four single-family attached dwellings (MR1, Ward 6)
180 Wells Ave	Special Permit to modify a special permit allowing a second building on site with a parking deck (LM, Ward 8)
46 Clyde St	Special Permit for accessory building exceeding allowed lot coverage and square footage (SR2, Ward 2)
20 Kinmoth Rd	Special Permit for multi-family dwelling (BU1, Ward 5)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
