

Development Review Team (DRT) Meeting Snapshot

Week of December 17, 2018

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
342 Auburn St	Special Permit/Variance for proposed accessory structure with a footprint in excess of 700 ft. (SR3, Ward 4)
106 Sumner St	Special Permit for proposed detached garage for single-family dwelling (SR2, Ward 6)
Boston College- 140 Commonwealth Avenue/Beacon Street	Administrative Site Plan Review/Special Permit to construct a science building (SR1, Ward 7)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
