

# Development Review Team (DRT) Meeting Snapshot

Week of January 14, 2019

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
50 Manemet Rd	Special Permit to add a small portico in the front and expand an existing covered porch in a setback (SR2, Ward 6)
144 Parmenter Rd	Special Permit to allow a parking stall within five feet of the street (SR3, Ward 3)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
