

Development Review Team (DRT) Meeting Snapshot

Week of February 11, 2019

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
67 Walnut St	Special Permit for three attached single-family dwellings (MR1, Ward 2)
19 Terrace Ave	Special Permit to increase the nonconforming front setback (SR2, Ward 6)
848 Beacon St	Proposed kitchen use in existing church building (SR2, Ward 6)
213 Langley Rd	Special Permit to exceed the allowed floor area ratio (FAR) (MR1, Ward 6)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
