

Development Review Team (DRT) Meeting Snapshot

Week of April 8, 2019

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
10 Carl St	Replace existing single-family dwelling, possible side setback issue (Ward 8, SR3)
68 Manet Rd	Extension of a nonconforming (setbacks) detached garage to allow for a roof deck and connection to existing two-family dwelling (SR3, Ward 7)
86 Athlestone Rd	Possible variance to allow use of attic level as living space. (Ward 6, MR1)
900-916 Walnut St / 1082 Beacon St	Possible Special Permit amendment to modify previously approved site plan (BU1 zone, Ward 6)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
