

# Development Review Team (DRT) Meeting Snapshot

Week of April 15, 2019

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

| Address           | General Description of Project  |
|-------------------|---|
| 67 Walnut St      | Special Permit to allow three single-family attached dwellings (MR1, Ward 2)  |
| 278 California St | Special Permit to modify nonconforming multi-residential use (BU1, Ward 1)  |
| 47 Carleton St    | Possible Special Permit to allow conversion of single- to two- family dwelling, nonconforming lot area per unit (MR2, Ward 1) |
|                   |   |
|                   |   |
|                   |   |

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
