

Development Review Team (DRT) Meeting Snapshot

Week of April 22, 2019

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
2 Thaxter Rd	Special Permit to add 2d floor dormer to single-family dwelling with nonconforming front setback (SR3, Ward 1)
67 Marlboro St	Special Permit to further increase nonconforming floor area ratio (FAR) (SR2, Ward 1)
1349 Centre St	Special Permit Amendment to allow modification of for-profit school parking area (BU2, Ward 6)
30-32 Rowe St	Special Permit for existing basement level accessory apartment in two-family dwelling (SR3, Ward 4)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
