

Development Review Team (DRT) Meeting Snapshot

Week of May 13, 2019

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
262 Otis St	Special Permit for extension of nonconforming FAR and lot coverage to construct a porch (SR1, Ward 2)
15-21 Lexington St	Special Permit to allow a multi-family dwelling (SR3, Ward 4)
410 Newtonville Ave	Special Permit to waive dormer requirements (MR1, Ward 2)
5-7 Elm St	Special Permit to amend Council Order #91-18 to amend the site plan (MR1, Ward 3)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
