

Development Review Team (DRT) Meeting Snapshot

Week of June 24, 2019

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
37 Duffield Rd	Special Permit to extend nonconforming front setback (SR3, Ward 4)
10-12 Circuit St	Special Permit to further extend nonconforming use (MR2, Ward 5)
66 Winchester St	Special Permit to allow for-profit school (MU2, Ward 5)
13-17 Gardner St	Special Permit to allow four dwellings (MR2, Ward 1)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
