

# Development Review Team (DRT) Meeting Snapshot

Week of September 23, 2019

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
280 Newtonville Ave	Amendment to an existing Special Permit to construct an addition containing 19 units (MR3, Ward 2)
432 Cherry St	Amendment to existing Special Permit to retain the existing office use in the historic building and construct a new two-family house on site of proposed 3-unit building (BU1, Ward 3)
27 Winchester Rd	Special Permit for single-family attached dwellings (MR1, Ward 1)
1158 Beacon St	Proposed marijuana retailer (BU2, Ward 6)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
