

# Development Review Team (DRT) Meeting Snapshot

Week of October 14, 2019

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
52 Aberdeen St	Replace existing single-family dwelling with two-family dwelling with an accessory apartment (MR1, Ward 6)
1 Malvern Terrace	Possible Special Permit to allow three story structure (SR3, Ward 4)
96 Lenox St	Possible amendment to Special Permit #129-14 to demolish existing garage and construct new garage and shorten existing driveway (SR2, Ward 2)
28 Elliot Ave	Special Permit to allow a second parking stall within front setback (SR3, Ward 3)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
