

Development Review Team (DRT) Meeting Snapshot

Week of November 4, 2019

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
858 Walnut St	Administrative Site Plan Review to establish a day care center (BU2, Ward 6)
29 Greenwood St	Special Permit to allow a retaining wall exceeding four feet within the rear and side setbacks (SR1, Ward 8)
unnumbered Greenwood St lot	Special Permit to allow a retaining wall exceeding four feet within the side setback (SR1, Ward 8)
Washington and Dunstan Sts	Comprehensive Permit for a mixed use building containing 243 dwelling units and retail space (BU2, Ward 3)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
