

Development Review Team (DRT) Meeting Snapshot

Week of January 13, 2020

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
727 Centre St	Special permit to exceed FAR with additions within footprint of the house (SR2, Ward 2)
1081 Washington St	Special Permit for parking waiver and amend existing special permit (BU2, Ward 3)
27 Nightingale Path	Possible Variance to encroach into the side yard setback (SR2, Ward 8)
158 Parmenter Rd	Possible Special Permit and Variance to modify existing dwelling (SR3, Ward 3)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
