

# Development Review Team (DRT) Meeting Snapshot

Week of January 20, 2020

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
44 Swallow Dr	Possible Variance from lot area and Special Permit for rear lot subdivision (SR3, Ward 4)
16 Hyde St.	Possible conversion of garage into office space with bathroom and kitchenette or accessory apartment (SR2, Ward 6)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
