

Development Review Team (DRT) Meeting Snapshot

Week of January 27, 2020

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
23 Johnson Pl	Special Permit to construct four Single Family Attached Dwellings (MR1, Ward 4)
12 Hanson Rd	Special Permit to raze an existing single family dwelling and construct a new single-family dwelling (BU1, Ward 8)
44 Swallow Dr	Possible Variance from lot area and Special Permit for rear lot subdivision (SR3, Ward 4)
1-55 Boylston St	Amendment to Comprehensive Sign Package (BU4, Ward 7)
141, 149A California St	Administrative Site Plan Review or Special Permit to expand existing adult day care's kitchen into a second building on the site (MAN, Ward 1)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
