

# Development Review Team (DRT) Meeting Snapshot

Week of March 9, 2020

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
1149 & 1159 Walnut St	Special Permit to construct a mixed use building containing 24 dwelling units (BU2 & BU1, Ward 6)
41 Lombard St	Possible Special Permit to construct two story addition to the rear single-family dwelling, increasing floor area ratio (FAR) (SR2, Ward 1)
96 Lenox St	Possible Special Permit amendment to construct attached garage exceeding allowed floor area ratio (FAR)(SR1, Ward 2)
63 Bourne St	Possible replacement of existing carriage house with new structure with accessory apartment (MR1, Ward 4)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
