

Development Review Team (DRT) Meeting Snapshot

Week of April 20, 2020

This week we have virtual DRTs on the following addresses. Please contact any land use planner at the Planning Department if you would like additional information on any of these projects.

Address	General Description of Project
36 Walsh Rd	Special Permit for already constructed retaining walls greater than 4 ft. in height in a setback (SR2, Ward 8)
350-352 Cabot St	Possible Special Permit to extend a non-conforming use to create an additional dwelling unit in a two-family dwelling by dividing an existing unit into two (SR2, Ward 2)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
