

Development Review Team (DRT) Meeting Snapshot

Week of June 22, 2020

This week we have virtual DRTs on the following addresses. Please contact any land use planner at the Planning Department if you would like additional information on any of these projects.

Address	General Description of Project
55 Colella Rd	Special Permit for 6-unit dwelling with one parking stall per unit (BUS 1, Ward 8)
17 Wallace St	Special Permit for retaining wall greater than 4 feet in height. Within a setback (SR3, Ward 8)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
