

Development Review Team (DRT) Meeting Snapshot

Week of September 14, 2020

This week we have virtual DRTs on the following addresses. Please contact any land use planner at the Planning Department if you would like additional information on any of these projects.

Address	General Description of Project
1157 Washington St	Possible Special Permit to waive certain parking facility dimensional standards (BU2, Ward 3)
63-35 Broadway	Special Permit to allow three Single Family Attached Dwellings (MR1, Ward 1)
540 Dudley Rd	Possible Special Permit to exceed FAR with 2nd floor addition (SR1, Ward 8)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
