

# Development Review Team (DRT) Meeting Snapshot

Week of October 12, 2020

This week we have virtual DRTs on the following addresses. Please contact any land use planner at the Planning Department if you would like additional information on any of these projects.

Address	General Description of Project
386-394 Watertown St	Amendment to Special Permit #201-17 to increase from 9 to 10 dwelling units and modify the accessory parking (BU1, Ward 7)
9-11 Circuit Ave	Special Permit to extend nonconforming multifamily residential use from 3 to 6 units (SR3, Ward 5)
19-21 Ripley St	Proposed replacement of existing 1926 two family dwelling with two side by side townhouse units with garage parking (MR1, Ward 6)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
